REGISTRATION FORM & QUESTIONNAIRE

Invitation for submission of manuscripts and filling out questionnaire on PhD programs

Dear Colleagues,

One of the problems in European PhD programs in medicine and public health is the lack of information. Only few universities have those programs on their web sites.

Therefore we invite all medical schools, schools of public health and research institutes involved in such programs to send a manuscript no matter whether they will or will not attend the Conference. You may find the monograph describing different models to be of use.

You are kindly asked to fill out the enclosed Questionnaire that is considered to be a registration form. This will enable the organizer to prepare an overview of PhD programs in Europe.

Please fill out the enclosed Questionnaire and Registration Form and send it to the Conference President's address either in electronic form as an e-mail attachment or printed by surface mail.

Conference President's address:

Professor Zdravko Lacković, MD, PhD.

Laboratory of Molecular Neuropharmacology

Department of Pharmacology

University of Zagreb Medical School,

Šalata 11

HR-10000 Zagreb, Croatia

E-mail: lac@mef.hr

Phone/Fax: 385 1 4566843

REGISTRATION FORM

If you are going to attend the Conference please fill the form below:

Name and surname, titles, position:
