

**PhD program Molecular Medicine
Medical University of Graz, Austria**

20 positions for graduate students

Starting Winter 2006/2007

Application deadline: November 15, 2006

The Medical University of Graz launches a PhD-Program in Molecular Medicine. The program offers cutting-edge education with respect to the molecular basis of human diseases and therapeutics. The thesis projects will focus on various aspects of metabolic diseases, inflammation, and cancer and integrate basic, applied, and clinical sciences, as well as a wide spectrum of experimental techniques.

Admitted PhD-students will receive funding for three years. Applicants must hold a master degree in Medicine, Chemistry or Life Sciences.

Further information and application forms are available at: <http://www.meduni-graz.at/phd/>
Applications must be submitted by email to persabt@meduni-graz.at **and** cc to:
